Bringing IHL home: a roadmap for better national implementation of IHL

- Domestic implementation
- Ratifying or acceding to IHL treaties
- National committees
- Strengthening cooperation
- integrate IHL into military training
- Disseminate IHL
- New forms of dissemination
- Share good practices

Climate-smart disaster laws and policies that leave no one behind

- Climate-smart disaster risk management
- “Checklist on law and disaster preparedness response”
- Communities at the centre
- Inclusion of marginalized groups

Restoring family links and data protection

- Prevent family separation
- National Society's auxiliary role
- RFL Strategy 2020–2025
- Personal data
- Misuse of data
- RFL Code of Conduct on Data Protection

Addressing mental health and psychosocial needs of people affected by armed conflict, natural disasters and other emergencies

- Access
- Capacity of professionals
- Prevention, preparedness and response
- Comprehensive
- Volunteers and staff
- Emergency response systems
- Standards of care
- Stigma, exclusion and discrimination
- International legal frameworks

Trust in humanitarian action

Trust is the greatest asset to the work of the Movement. For the first time, this Conference will address:

- Accountability
- Preservation of humanitarian space
