

The 33rd International Conference

What are the main themes?

Power of humanity

33rd International Conference
of the Red Cross and Red Crescent
9-12 December 2019, Geneva

International humanitarian law a central pillar of the International Conference.

Working to strengthen national implementation of IHL:

- ▶ Influencing behaviour
- ▶ Voluntary reporting and good practices

Addressing challenges to contemporary armed conflicts:

- ▶ New technologies
- ▶ IHL: Different people, different impacts
- ▶ Urban warfare

Shifting vulnerabilities: are we ready to address them?

Access to essential services:

- ▶ Mental health and psychosocial needs
- ▶ Volunteers in community health
- ▶ Migration and internal displacement

Humanitarian consequences of climate change

Humanitarian action in the digital era
Urban communities

Trust in humanitarian action can no longer be taken for granted.

Effective accountability:

- ▶ Community engagement and accountability
- ▶ Integrity and risk sharing

Preserving humanitarian space

- ▶ Conducive environment for principled humanitarian action
