PROGRAMME OF WORKSHOPS

(January–May 2022)

To the members and observers of the
COUNCIL OF DELEGATES
OF THE INTERNATIONAL RED CROSS AND RED CRESCENT MOVEMENT

Geneva, 26 November 2021

Dear Friends,

On 17 November 2021, I had the pleasure, together with the president of the International Federation of Red Cross and Red Crescent Societies (IFRC), of informing you that the IFRC Governing Board and the Standing Commission had decided to convene the General Assembly and the Council of Delegates **in Geneva (Switzerland) from 19 to 23 June 2022**. You will receive further information in the letter of convocation for the Council of Delegates, which will be sent out shortly.

In the meantime, **I would like to invite you to participate in a series of nine workshops that will be held online between January and May 2022**. These workshops supplement the Council of Delegates' agenda with exploratory presentations and discussions on issues that will not require decisions in 2022. The outcomes of the workshops will nonetheless be presented at the plenary meeting of the Council of Delegates and be reflected in its summary record.

Further information on the programme and registration, including the outlines and schedule, has been provided herein. This information is also available online [<https://rcrcconference.org/council-of-delegate/2022-council-of-delegates/workshops/>] and will be updated regularly. Unless otherwise specified, participation in the virtual workshops will be open to all Red Cross and Red Crescent leaders, volunteers and staff, as well as to observers and guests, with no restrictions other than prior registration. Interpretation in the working languages of the Council of Delegates (English, French, Spanish and Arabic) and Russian will be provided.

I therefore encourage you to consult and disseminate this programme and to promote broad participation within your respective organizations.

Yours sincerely,

Mercedes Babé
